

Name	:	Er. Rakshit Khajuria	
Designation	:	Assistant Professor	
Contact Address	:	Division of Basic Engineering and Sciences Faculty of Agricultural Engineering SKUAST-J Main Campus, Chatha, Jammu-180009 (J & K)	
E mail Mobile	:	Khajuriarakshit75@gmail.com 9797837787	
Professional Experience	:	04 years	
Area of Specialization	:	Computer Science and Engineering	
Research interest	:	<ul style="list-style-type: none"> ● Software Engineering ● Machine Learning ● AI 	
Total no. of publications (referred journal)	:	05	
Selected publications (best four)	:	i. Khajuria, R., Sharma, A., & Sharma, A. (2023). A detailed survey regarding the usage of different ICT technology modes adopted by higher education institutions. ii. Khajuria, R., Sharma, A., Sharma, A., & Singh, P. (2022, September). A survey on various approaches to examine cognitive behavior and academic performance of learner in virtual learning. iii. Khajuria, R., Sharma, A Sharma, A., & Singh, P. (2023). Performance analysis of frequent pattern mining algorithm on different real-life dataset. iv. Khajuria, R., Sunanda, Singh, S. (2018) "A Survey of Existing Leaf Disease Techniques using Artificial Neural Network"
