for Veterinary Medicine (ISVMCON-2025)**

National Conference on

**FUTURISTIC APPROACH IN ANIMAL HEALTH CARE AND
WELFARE THROUGH SPECIALITY MEDICINE, DIGITAL
HEALTH TECHNOLOGIES AND ARTIFICIAL INTELLIGENCE**

February 17-19, 2025

Organized by

**Division of Veterinary Medicine
Faculty of Veterinary Sciences and Animal Husbandry
Sher-e-Kashmir University of Agricultural
Sciences and Technology of Jammu**

Dear ISVM life member and Professional Colleagues

We are delighted to announce hosting of 41st Annual Convention of Indian Society for Veterinary Medicine (ISVMCON-2025) and National Conference on "Futuristic Approach in Animal Health Care and Welfare through Specialty Medicine, Digital Health Technologies and Artificial Intelligence" at Division of Veterinary Medicine, Faculty of Veterinary Sciences and Animal Husbandry, Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu w.e.f. February 17-19, 2025.

This conference promises to be an enlightening and collaborative event that brings together the brightest minds in veterinary medicine, and your gracious presence would greatly enrich the inspiring and knowledge-packed three-day event. We the organizer therefore, thrilled to extend our whole heart invitation for ISVMCON-2025 and ecstatically eager to welcome you to the land of Maa Vaishnav.

With warmest regards

Team ISVMCON-2025

Conference theme and sessions

The theme of ISVMCON-2025 *i.e.* **"Futuristic Approach in Animal Health Care and Welfare through Specialty Medicine, Digital Health Technologies and Artificial Intelligence"** is of tremendous significance and hold special relevance to this digital era as India is rapidly transforming into a digitally empowered society and knowledge economy. It is expected that the practitioner, researcher, academician and PG/PhD student will have a good preview of the future scenario of animal health care and welfare and will get an opportunity to connect, learn and grow in the field of veterinary medicine.

Thematic areas

- Speciality medicine
- Digital health technologies
- Artificial intelligence in diagnosis and therapeutics
- Animal welfare: past, present and prospects

Scientific Sessions

- Farm animal infectious medicine
- Farm animal non-infectious medicine
- Companion animal infectious medicine
- Companion animal non-infectious medicine
- Canine cardiology and nephrology
- Veterinary dermatology
- Wild/zoo and pack animal medicine
- Avian medicine
- Alternative and complementary medicine
- Field veterinarian session
- ISVM young scientist award session
- Plenary Session

Call for Abstract

The abstracts (not more than three per author in any mode) of original research work related to the seminar's themes are invited from participants for oral/poster presentation in different sessions of ISVMCON-2025. The abstracts in MS word (not exceeding 250 words; Times new roman font, size 12, single spacing) can be submitted by **December 31, 2024** to organizing committee through email at abstractism2025@gmail.com. The submitted abstract should contain chronologically:

- Title in capital letter
- The name of authors and institution
- Name of presenting author duly underlined
- Abstract (containing introduction, objective, methodology, outcome & conclusion)

The individual acceptance letter will be issued after last date of submission. Any query related to abstract may be addressed to Dr. Rajesh Agarwal, Co-organising Secretary on above mail or mobile (9419281514, 7006065273)

* Organiser does not guarantee accommodation to delegates registering on spot

About the Host University

Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu (SKUAST-Jammu) came into existence on September 20, 1999. The establishment of SKUAST of Jammu has in its background aspirations, commitment and missionary zeal to cater the needs of Jammu Division for the region-specific advances through education, research and extension in the field of agriculture. The university is mandated to address the basic, strategic and applied research related to enhanced production in agriculture and allied sectors. The university comprises distinct faculties, including the Faculty of Agriculture, Faculty of Veterinary Sciences & Animal Husbandry, Faculty of Horticulture and Forestry, Faculty of Dairy Technology, Faculty of Agricultural Engineering and the School of Biotechnology. SKUAST-J is a multi-campus university with its headquarter located at Chatha, Jammu. There are Eight Research Stations/Sub-Stations and nine KVKs in the University which are located in different agro-climatic zones of Jammu region for catering the location-specific needs of the farming community. University pursues research of high standard through projects funded by various central and state agencies.

The Faculty of Veterinary Sciences and Animal Husbandry came into existence at Ranbir Singh Pura, Jammu on December 15, 1995. Sprawled over an area of 98 acres at Ranbir Singh Pura, the Faculty caters to the welfare of animal wealth and livestock farmers of the Jammu province. The institute proudly features a resourceful and diverse scientific workforce coming from nooks and corners of the country from varied and elite organizations. This amalgamated representation has enabled the faculty to intermingle diverse and liberal ideas through a unified scientific temperament.

Jammu: The City of Temples

The charming state of Jammu was founded by King Jambu Lochan in the 14th century and has been the seat of the powerful Dogra dynasty in the bygone times. Enclosed by the snow-capped Pir Panjal Mountains, Jammu is blessed with such awe-inspiring beauty which has rendered many painters and poets speechless. It is a land where the ancient and pristine Tawi river flows in full vigour, where you can never have enough of the touristy places that have been present since centuries. Maa Vaishno Devi temple is one of the holiest Hindu pilgrimages and is a must visit place. Some other important places of interest in Jammu are: Ranbireswar temple, Raghunath temple, Bawe wali Mata, Bahu fort & gardens, Mohmaya temple, Lakshmi Narayan temple, Jamwant gufa, Amar mahal palace, Sudh Mahadev temple, Gauri kund, Surinsar and Mansar Lake, Purmandal and Indo-pak border.

Accommodation

We are in the final stage of confirming list of hotels to be used for accommodation of delegates in ISVMCON-2025. Once a list of hotels is finalized it will be communicated to all the delegates well in advance so that they can book accommodation in hotel of their choice. Limited accommodation for delegates will be arranged in university guest house on first cum first serve basis on payment. Accommodation in star rated hotels in Jammu can also be made at their own cost. Tentative tariff range will be from Rs. 1500/- 5000/day/room (on share basis in double occupancy). The students (boys/girls) registered by the key date will be considered for dormitory accommodation at nominal cost in university or any safe government premises.

How to reach Jammu

Jammu is well connected to the major cities and other parts of India by air, rail and road. It also has an airport and main railway station in Jammu city. The temperature in Jammu in February will be comfortable with low of 11°C and high up to 23°C. Moderate/light winter clothing will be required.

Transport

All possible efforts will be made for providing transport facility to the delegates coming for ISVMCON-2025 from hotels to conference venue and vice versa. However, a mutual cooperation will be highly appreciated.
