CIRCULAR

It has been observed that a number of mistakes are made in the "Instructors Report" which is submitted at the end of Semester to this office. As the registration numbers of students are not written in an ascending order, it creates problem while adding end term marks. It becomes difficult to tally the registration number with Award Roll as they are not written in a proper order. Further, in future the result may be submitted batch wise and not section wise, and as per the prescribed format, to this office (copy enclosed for ready reference). All Heads of Divisions are requested to follow the instructions in this circular so that the results can be submitted to the Joint Registrar (Acad) without any mistakes.
