

Equipments costing more than Rs. 5.00 lac available in the Faculty of Agriculture, SKUAST-Jammu Chatha

S.No.	Division	Name of the equipment
1.	Agronomy	Auto Analyzer
		Pressure Plate Apparatus
2.	Entomology	Gas Chromatography (GLC)
		Nikon Japan Trinocular Research Microscope
3.	Plant Pathology	Gel Documentation System
		Image Analyser Microscope
		DNA / RNA Extractor
		ELISA Reader & Washer
		Fermentor
4.	Food Science & Tech.	Deep freezer -40 ⁰ C (Revco)
		Atomic Absorption Spectrometer (Solaar AA series)
		High performance liquid chromatography (WATERS)
		Refrigerated centrifuge Sigma 3k-30
		Walk -in- cooler(blue star)
5.	School of Biotechnology	Gel Documentation System
		Thermo Cyclers
		Deep Freezers (-80°C)
		Millipore Unit
		UV-Vis Spectrophotometers
		Real Time PCR
6.	Soil Science & Agril. Chemistry	UV-Vis Spectrophotometers
		AAS Hitachi Modal Z-2300 Series Polarized Zeeman Atomic Absorption Spectrophotometer with PC software
		Elementar Analysensysteme GmbH – Vario EL III Element Analyzer
