

## **SKUAST-J VC inaugurated poly lined fish pond at Village Malini** **District Doda**

Dr P.K. Sharma, Hon'ble Vice-Chancellor, SKUAST Jammu inaugurated poly-lined fish pond constructed in the farm of Sh. Mashkooor Ahmad, Chief Volunteer KVK farmer Club Malini with the technological intervention of Krishi Vigyan Kendra Doda. While addressing farmers during the occasion, Hon'ble VC emphasized upon the KVK scientists to popularize the useful technology of water conservation among the farmers. It will not only provide sufficient water for irrigation but also create employment opportunities for rural youth thereby realizing the objective of "Per Drop More Crop". He also asked KVK scientists to motivate and train the interested youth in fish farming and lauded the efforts of Sh. Mashkooor Ahmed for being pioneer in adoption of this innovation.

Dr. R.K Arora, Associate Director Extension (KVKs) SKUAST-J appreciated KVK scientists for serving the remote and far-flung areas of the district Doda. He also complemented KVK Doda for introducing poly-lined pond for fish farming in the district.
