

International Plant Physiology Virtual Conference

December, 6-7, 2020 at 10:00AM – 05:00PM (IST)

Prospects of Plant Physiology for Climate Proofing Agriculture

Organized by

Sher-e-Kashmir University of Agricultural Sciences & Technology, Jammu
&
Indian Society for Plant Physiology (ISPP), New Delhi

Thematic Areas

- Abiotic Stresses: Physiology, Genetic Improvement and Management
- Biotic Stresses: Host-Pest Interactions and Management
- Climate Change and Crop Modelling
- Genomics & Phenomics assisted Crop Improvement
- Genomics Regulatory RNAs and Epigenomics
- Metabolomics and Plant Metabolism
- Plant Growth Regulators and Mineral Nutrition
- Reproductive & Post-harvest Biology

Special Sessions

- Science Quiz (For students who have submitted abstract)
- Workshop (Free for all registered participants)

Major Events

- Invited Lectures by Eminent Speakers
- Oral Presentations
- Rapid Oral Presentations
- Young Scientist Presentations
- Poster Presentations
