Dr. R. K. Bhardwaj

The Sher-e-Kashmir University of Agricultural Sciences & Technology of Jammu and OMICS Group is organizing one day pre-conference of 2nd International Conference on "Animal & Dairy Science" on the scientific theme of "Addressing new Challenges and Emerging Issues in Animal Sciences & Dairy Research" at Faculty of Veterinary Sciences and Animal Husbandry, SKUAST-J, R.S. Pura, Jammu, 20th August, 2014.

With the continuous shrinkage of agricultural land and increasing pattern of dependency of rural farmers on dairy animals, poultry, fishery, piggery etc for their daily livelihood. The food industry needs to always focus on sustaining the demands of a growing world population and their rapidly changing patterns of diet. In order to achieve this goal, animal scientists must aim at developing new technologies to make food production more efficient, safe, nutritious, and abundant.

In an attempt to address these issues insist to the Veterinarians/researchers/scientists for the development of advanced technologies in veterinary sciences and application direct at the doorstep level to the progressive and rural farmers. Hence this pre-conference would be organized to cater the aforesaid goals among the dairy farmers. Through this pre-conference lectures, scientists-vets-graduate students-farmers interaction with the experts and leaders of the veterinary science with knowledge of the latest industry advancements and be able to make new connections which will help them to succeed.

It is expected that preconference will usher in the much needed knowledge and package of practices among scientists-vets-graduate students-farmers.
