Science and Technology Department**

<p>Convenor Dr Jag Paul Sharma, Director Research, SKUAST-Jammu</p>	<p>Patron Dr Pradeep K. Sharma Vice-Chancellor, SKUAST-Jammu</p>	<p>Chief Patron Shri Satya Pal Malik His Excellency, Hon'ble Governor of J&K State and Chancellor, SKUAST-Jammu</p>
--	---	--

ABOUT THE CONFERENCE

Agriculture is the back bone of the state economy with a large number of people, directly or indirectly, dependent on it. About 75 per cent of the total cultivable land in the Jammu division and about 60 per cent in Kashmir Division is rainfed, which makes agriculture productivity unstable and vulnerable to climatic aberrations and uncertainties. Climate change globally is no more a myth but a hard fact and is going to have a significant impact on agriculture, horticulture, animal husbandry, fisheries and observed other marine life. Substantial reductions in precipitation are expected in the mid-latitudes where agriculture sector is already precarious and often dependent on rain water. Rainfall is likely to decline by 5 to 10% over southern parts of India whereas 10 to 20% increase is likely over other regions. Consequently, Indian agriculture appears to be at the cross road with respect to climate change. Three days Agri-Science Congress to attract participants from all over the country to have a marathon interaction and discussion on socio-economic and eco-biological consequences of climate change with focus on agricultural stability, livestock productivity and ecology. Three days deliberations are expected to deliver concrete recommendations on strategies for mitigation of climate extremities and climate change management for sustainable development.

CONGRESS FOCAL THEME

➤ Climate Change Management for Sustainable Agriculture, Livestock and Ecological Development.

SUB-THEMES OF THE CONGRESS

- Climate resilience and Associated Challenges.
- Eco-biological and Socio-economic consequences of Climate Change.
- Technological innovations to mitigate impact of Climate Change.

CONGRESS FEATURES

- Key note lectures by eminent scientists
- Technical sessions
- Poster sessions
- Exhibition of agro-technologies
- Best thesis award
- Best Paper Awards

REGISTRATION FEES

Category	Before 25 th March, 2019	On spot
Delegates from Industry	4000/-	5000/-
Academia	3000/-	3500/-
Research Scholars & Students	2000/-	2500/-
Accompanying person	1000/-	1200/-

VENUE

Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu, Chatha, Jammu, Jammu and Kashmir-180009.

ACCOMMODATION

Accommodation will be arranged for delegates on advance request on payment basis in the nearby guest houses and hotels on "first come first serve basis".

KEY DATES

March 20, 2019: Last date for submission of abstracts, chapters for souvenir & full length papers

March, 27-29, 2019: Dates of the congress

ABSTRACT SUBMISSION

Abstract not exceeding 300 words on identified thematic areas should be sent through email (jkasc05@gmail.com, jkasc05skuast@gmail.com) to the Organizing Secretary, 5th Jammu and Kashmir Agriculture Science Congress by the last date of submission.

ABSTRACT FORMAT

Title (14 point bold, centered). Authors name 12 point, with the email of corresponding author, Affiliation 10 point, all in Times New Roman font.
