MASSIVE OPEN ONLINE COURSE (MOOC) on
Digital Teaching Techniques
(December 1-31, 2021)

About the Course

Technology plays an important role in current education scenario. Teachers are need to equip themselves with the latest trends in technology to adopt to new learning styles. This needs proper understanding of technology options with insights into open source and open learning philosophies. Considering this important systemic requirement, ICAR - Natioanl Academy of Agricultural Research Management, Hyderabad designed a MOOC on "Digital Teaching Techniques" to be offered during December 1- 31, 2021 for teachers and aspiring teachers/ faculty (with a minimum of completed graduation in any subject).

This course covers the contemporary aspects of E- Learning, Learning Management System, Open Education Resources, Assistive Technologies, Digital Content Development and Authoring, Cloud Philosphy in Education. It is expected that the learners will get a comprehensive outlook on digital teaching techniques, after completion of the course.

Registration

New Users: Register online ONLY using the following link https://elearning.naarm.org.in Existing Users: Participants who registered for earlier MOOCs may click on the course "Digital Teaching Techniques" and login to the website. Then click on "ENROL ME". We will confirm your participation after verification.
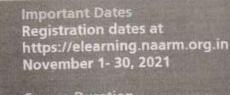

Course Format

Participants are expected to access 9 content modules over 4 weeks which are mostly video lectures of 10–15 minutes duration supplemented with other resource material. Most lectures will have integrated questions/ discussions/ assignments which have to be completed by the participants in specific time limit.

Certification Criteria

To qualify for Certification, participants shall secure minimum qualifying marks of 40 for participation and 50 for completion, which are based on their extent of accessing all the modules and participation in Assignments/Exercises/Discussion fora and Online evaluation.

Fee Details

No programme fee for registration and participating in the course. However, those successful participants whose list will be declared after processing all the criteria desirous of having certification can download their certificate on payment of Rs 1180/. (including GST)
