Weekly Progress Report from 16th May to 20th May 2022

Activity 1	Continued Remedial cum JRF classes for the students on Veterinary Surgery & radiology for the students of FVSc &AH: a total of 2 lectures have been delivered during this week which comprised of faculty members.
Activity 2	As per the approved project report technical program for the FY 2022-23 is planned comprising of different activities to be conducted in different quarters.
Activity 3	Session on “Guidance for Higher Education Abroad” was held on 19.05.2022 at 2:00 pm in which UG/PG students who are pursuing Bachelor’s, Master’s & Doctoral program of different streams participated. In this session students were sensitized about the different aspects for seeking admission in doctoral program of overseas universities especially USA, Canada & UK. They were also enlightened about the different foreign and Indian government fellowships. It was discussed that aspirant should appear for TOEFL & GRE tests and practice writing effective statement of purpose on the format of the university they wish to seek admission. Students also showed keen interest in Fulbright-Nehru fellowship & it was decided that a session will be held on this in collaboration with United States-India Educational foundation (USIEF), New Delhi. The session ended into healthy interaction. The proceedings were conducted by Nodal Officer of I/C Counseling & Placement Cell.
