

Swachh Bharat Abhiyan (SBA) 2017

On 28th May 2018 the NSS volunteers took part in Campus cleanliness and plantation care programme of the Faculty of Agriculture main Campus Chatha. The students were sensitized about the importance of tree in the present climate change conditions. The Programme Officer Dr. Subhash C Kashyap alongwith Dr. Aarti Sharma and Dr Lomita Leshram of the programme were present. Students took keen interest in caring tree plantation of campus by weeding and watering of saplings. This was a part of the NSS activities.
