

Faculty of Basic Sciences, SKUAST-Jammu organizes programme under Viksit Bharat @2047

The Government of India envisions Viksit Bharat@2047, the year 2047 marking 100 years of India's independence, as a developed nation. The vision covers a wide range of development-related topics, such as social advancement, environmental sustainability, economic prosperity, and good governance. As a part of different programmes being organized under the Viksit Bharat@2047(Voice of Youth) campaign an essay competition on "Empowered Indians" was organized by the Faculty of Basic Sciences, SKUAST-Jammu. Earlier Prof. S.E.H. Rizvi, Dean, Faculty of Basic Sciences and Prof. Sanjay Guleria, Head, Division of Biochemistry sensitized the students about channelizing the innovative ideas of the youth into nation-building and contributing to the vision of Viksit Bharat by 2047. Students of the Faculty of Basic Sciences participated in the essay competition. Heads of divisions and faculty members were also present during the event. Mr Tek Rajan and Balvinder Kour provided logistic support for the successful culmination of the said competition.
