**Conference on
“Natural Resource Management: Ecological Perspectives”
18-20 February, 2016**

The Indian Ecological Society (IES) in collaboration with the Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu (SKUAST of Jammu) , India is organizing conference on “Natural Resource Management: Ecological Perspectives” from 18-20 February, 2016 at SKUAST of Jammu Main Campus Chatha, Jammu , Jammu & Kashmir India. The programme of activities and sub-thematic areas are being developed jointly by the SKUAST of Jammu and IES.

The IES was established in 1974 with eminent ecologist, educationist and administrator, Prof. A.S. Atwal as the Founder President. It is one of the pioneering organizations of India engaged in advances in ecological sciences and environmental protection. The Society attempts to fulfill the above objectives by publishing the Indian Journal of Ecology (NAAS rated 4.47: ID 1042) since 1974. The journal is considered a premier journal reporting research findings in the field of basic and applied ecology. The society has organized eight national and international seminars, symposia and conferences on different areas of ecology. These include, National Symposium on “Land and Water Management in the Indus Basin (India) in 1978”, “International Conference on Ecological Agriculture: Towards Sustainable Development in 1997”, “Biopesticides: Emerging Trends in 2001” and “Eco-restoration of Lentic-Lotic Systems through Six Pillar Approach of Integrated Lake Basin in 2014”.

SKUAST of Jammu welcomes your attendance and contributions to this multidisciplinary Conference on all aspects of natural resource management in the city of temples Jammu, Jammu and Kashmir.
